

# Feedback Control Programming

Jason

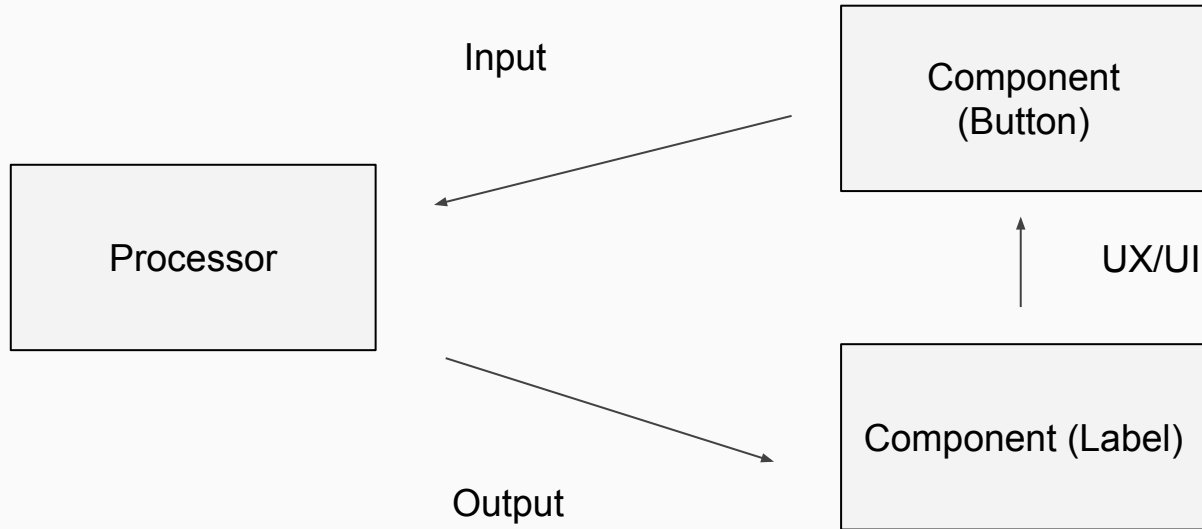

Growth Session #12 - February 15-16 2018

- Document a way to structure the concept
- Get feedback and check if this concept can be adapted to other platforms
- Inspired by reactive programming, redux and many others

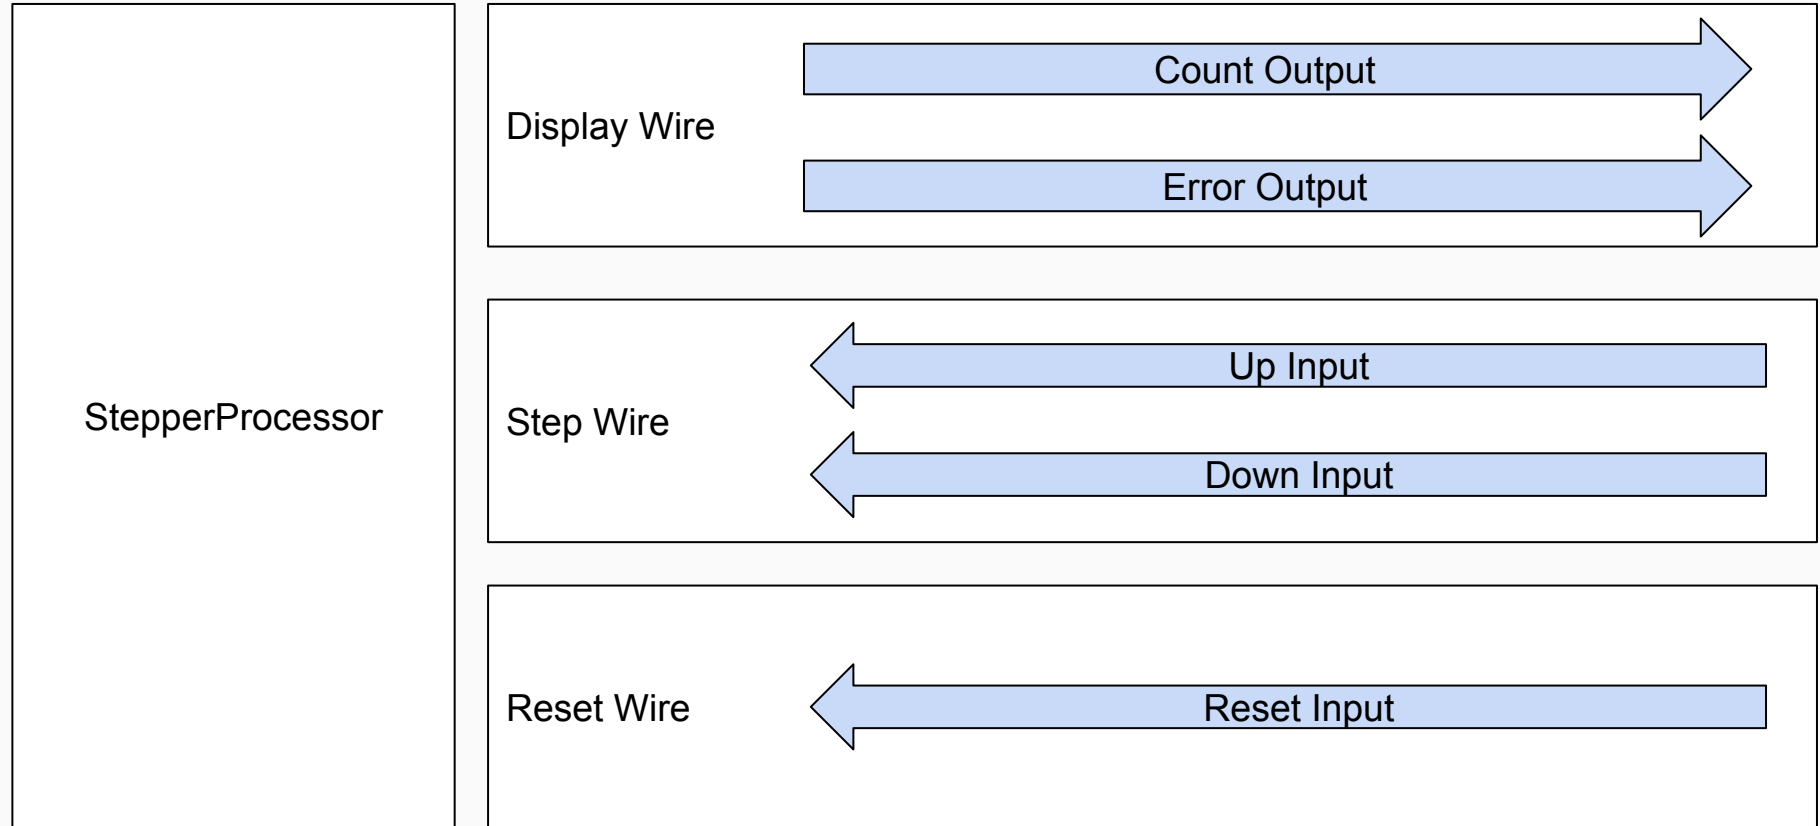

## Feedback Control System

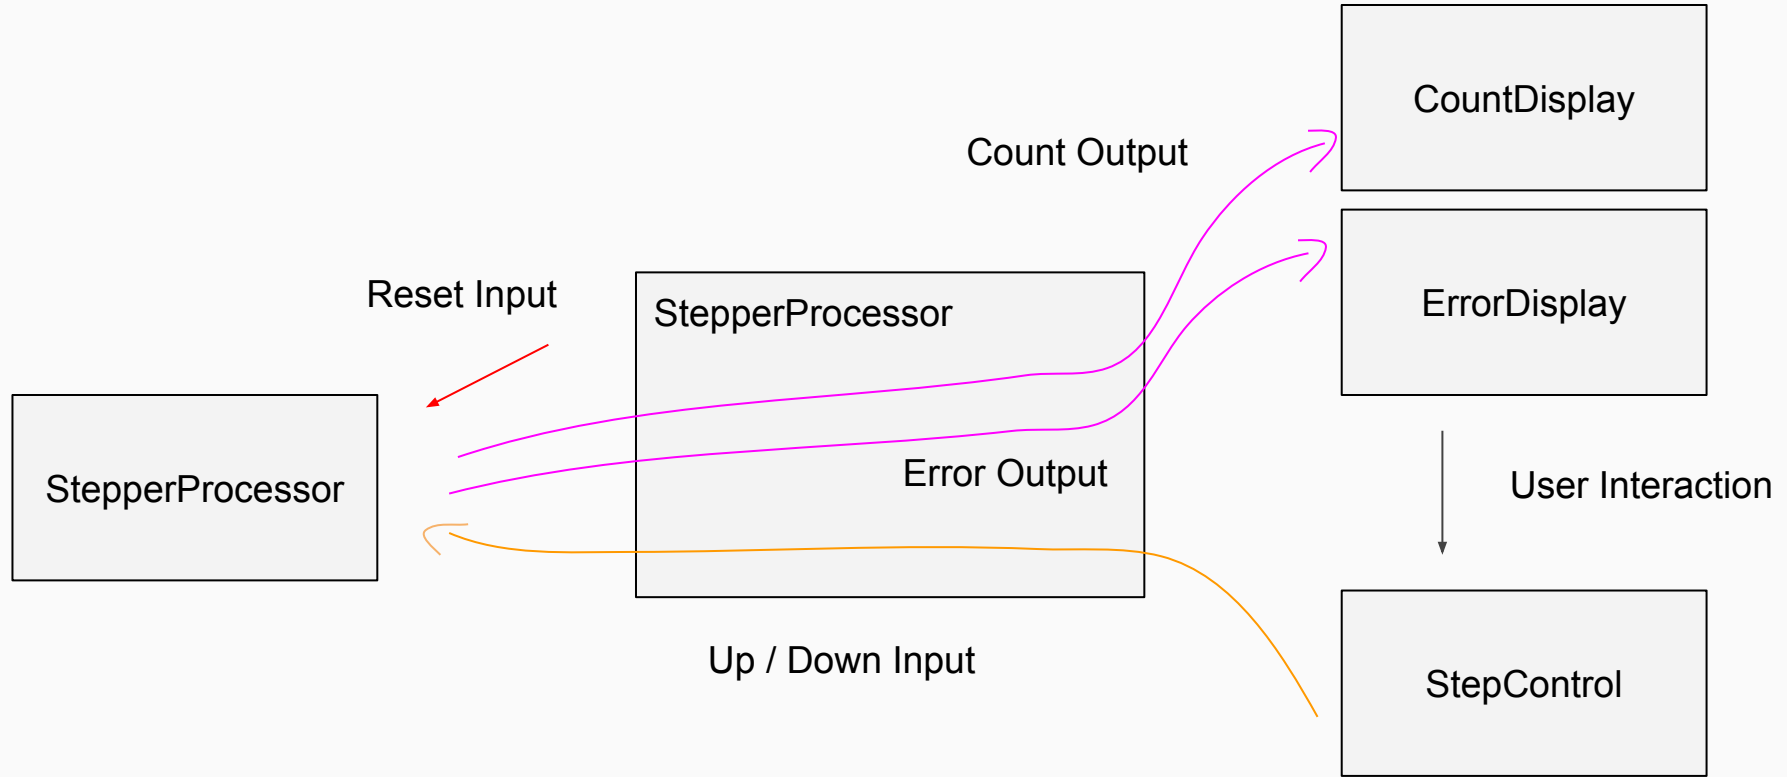

## Feedback Control Programming

# Achievements and progress

# Achievements and progress

Very easy to draw mental  
model of complex  
software structure.  
And Implement it without  
compromise.

# Thanks!
